### BIOGRAPHY

Louise Glas is a Certified Tea Specialist and a Registered Nurse. Louise is also the creator and founder of the Romantic Tea Brand, Lady Glass.

Louise's mission is to promote mental health awareness and self-care by providing others with positivITEA and a safe communiTEA.

Mental health is personally important to Louise as she herself has suffered from burnout, anxiety, and depression. Louise takes it day by day with a healthy company, good food, and a cup of romantic fine teas in her hand.

## THE BRAND

*your Romantic Tea Brand*

Fine Teas  Tea & Wellness Parties  Event Gifts

Lady Glass is a Romantic Tea Brand that promotes love... Love for others and for oneself. We believe that you can only truly love others once you have completely loved yourself.

Part of loving yourself is taking a break and having a positive and a supportive tribe. Herewith, we created our Lady Glass CommuniTEA, where we give you tons of PositiviTEA through our romantic fine teas, online and offline tea events, and get-togethers.

Lady Glass is also for foodies alike. On our social media accounts and newsletters, we provide tea and food pairing tips, tea trends, and more!

Above all, Lady Glass is open to EVERYONE.

*Let our teas give your tired soul a break.*
